

How to Reset Your Password

Step 1: Click **Forgot Password** under the login button.

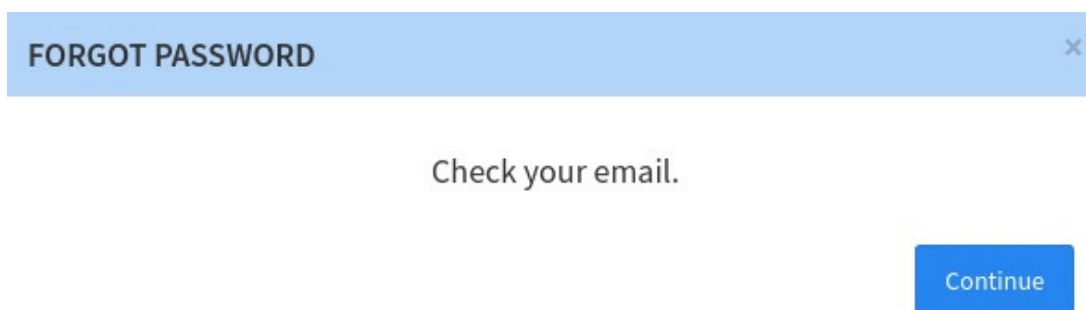

The image shows a login form with a text input field containing 'asdf@example.com', a password field with asterisks, and a green 'Login' button. Below the button are links for 'Sign-up' and 'Forgot Password'. A red arrow points to the 'Forgot Password' link.

Step 2: Enter your email address in the **Email** field and click the **Continue** button.

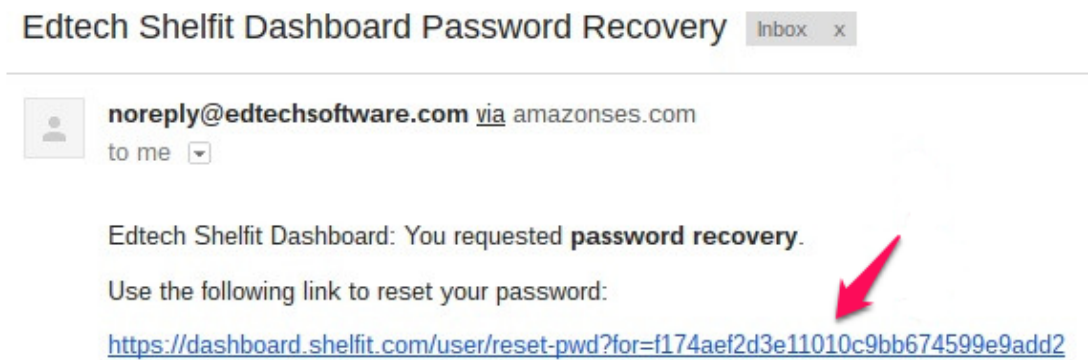

The image shows a 'FORGOT PASSWORD' dialog box. It has an 'Email' label with a red arrow pointing to an input field containing the placeholder text 'Please, enter your email.' Below the field is the error message 'Email cannot be blank.' A blue 'Continue' button is highlighted with a red box.

Step 3: Check your email for the Edtech Shelfit Dashboard password recovery link.

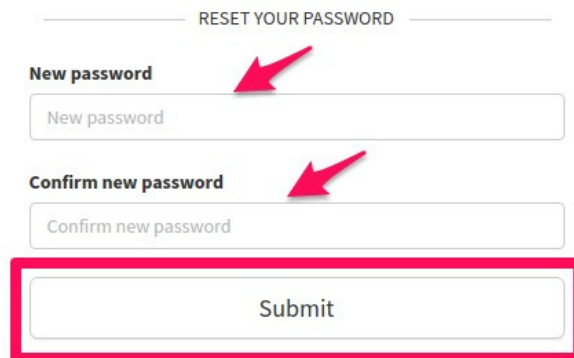

The image shows a 'FORGOT PASSWORD' dialog box with the text 'Check your email.' and a blue 'Continue' button.

Step 4: Open the email and click on the link to reset your password.

Step 5: Enter your password.

- Enter your new password in the **New password** field.
- Confirm your password in the **Confirm new password** field.
- Click the **Submit** button.

The screenshot shows a form titled "RESET YOUR PASSWORD". It contains two input fields: "New password" and "Confirm new password". Red arrows point to each of these fields. Below the fields is a "Submit" button, which is highlighted with a red rectangular border.

Step 6: You will now be directed back to the login page, where you can log in with your email and new password.
